- Willing to travel locally and internationally, sometimes on short notice
- Valid travel documents (passport, police clearance and yellow fever card)

## **PERSONAL ATTRIBUTES:**

- Safety conscious.
- Self-disciplined individual who works with precision, accuracy and caution.
- Approach problems of considerable complexity with an impartial and objective attitude.
- Team player with co-operative and group-orientated instincts but can also work independently.
- Accountable for their actions.
- Must be able to call on the support of the team leader / manager.
- Communicate in a tactful and diplomatic manner.
- Adaptable to new situations.
- Receptiveness and willingness to respond to unexpected circumstances.
- Must be able to work well and productively under pressure.
- Able to work overtime as and when required, sometimes on short notice.
- Able and willing to travel locally or internationally on short notice.
- Able to work in an environment that requires constant cleanliness.

## **REQUIREMENTS**

- Grade 12 / Matric.
- Valid driver's license and preferably own transport.
- Licensed Aircraft Maintenance Engineer and licensed on the specific helicopter types
- Minimum of five years' work-related experience.
- Adequate verbal and written English skills.
- Computer literate
